

Technical drawing of a 1562-2 terminal assembly, showing top and side views with dimensions.

**Top View Dimensions:**

- Overall Width: 1.562 (±.015)
- Overall Height: .312 (±.015)
- Distance between centerlines of first and last holes: 1.312 (±.010)
- Distance from left edge to centerline of first hole: .125 (±.015)
- Distance between centerlines of adjacent holes: .218 (TYP.)
- Hole Diameter: .067 DIA. HOLE (2) PLS
- Terminal Mounting: 1562-2 TERMINAL MOUNTED INTO .067 DIA. HOLE (TYP. 5 PLS)

**Side View Dimensions:**

- Reference Height: .156 REF.

|                                                                    |                        |                 |                                                                                                                                                                                                                                      |                                |                                     |                                    |
